By adding to section 1, immediately under the definition of “head-light,” the following definition:—

“‘Safety glass’ shall mean any glass or transparent product manufactured, fabricated, or treated in such a manner as substantially to prevent the shattering and flying of the glass or transparent product when struck or broken.”

By striking out clauses (k), (l), (m), (n), (o), (p), (q), and (r) of section 3, and substituting therefor the following:—

- “(k) No person shall operate upon any highway a motor-vehicle, the wind-shield or windows of which are in such a condition as to impair the driver's vision:
